- Players are expected to keep their priorities in order: FAMILY, SCHOOL, FOOTBALL.
- Players are expected to never, under any circumstances, participate in any form of substance abuse. The penalty will be dismissal from the school.
- Players are aware that Football at Xaverian High School is an everyday commitment. Players are willing to sacrifice whatever time is necessary to help the team achieve their goals and are confident that their teammates will do the same.

- Players are expected to represent the football program with pride during the school day. All school rules must be followed, and any discipline related problems in school will result in disciplinary action from the coaching staff.
