ELIGIBILITY and AGE REQUIREMENTS
To be eligible for enrollment, the student must be 16 years of age by FEBRUARY 15, 2020. The course is available to any student in a diploma or diploma/certificate program meeting the eligibility requirements of Xaverian and The New York State Education Department. This course includes 24 hours of classroom instruction, 6 hours of behind the wheel training, and 18 hours observation.

FACULTY AND EQUIPMENT
All instructors are employed by Autonautics International Driving School, Inc. and Xaverian High School and are accredited New York State teachers that are licensed to teach driver education. All automobiles utilized by Autonautics International are late model, dual controlled and fully insured to meet all requirements of The New York State Education Department.

GOALS
Teaching the safe, efficient operation of a motor vehicle while, developing the proper skills, habits and attitudes needed for defensive driving are the primary goals and objectives of the Xaverian Driver Education Program. Satisfactory completion of a New York State Driver Education Program will qualify students to receive an MV 285 Certificate of Completion. Form MV-285 authorizes students to obtain New York State driving privileges at age 17, if the requirements of Xaverian and the New York State Education Dept. are completely satisfied, and the student has successfully passed a NYS DMV road test.

INSURANCE AND LICENSING
All driver education students are responsible to secure his/her permit with a client ID number at the Department of Motor Vehicles. Road test appointments, information pertaining to securing learner’s permits and overall licensing, or general DMV information, are available on the DMV website at www.nysdmv.com. To schedule a road test, students must provide an MV 285 Certificate number and a nine digit client ID number. Refer to the instructions on your MV 285 form and refer to the DMV website for updated information. Although a learners permit is not required to begin the course, students must obtain a learners permit and NYS Client I.D. before the completion of the course. Students who receive an MV 285 from Xaverian are eligible for a reduction on their auto insurance policy (offered by most major insurance companies) upon completion of this course. Students will receive their MV285 at the conclusion of the semester.

CLASS SCHEDULES
Xaverian High School and Autonautics International administer two Driver Education sessions (Fall and Spring). Classes are arranged according to the availability of instructors in consideration of students’ school schedules. Driving classes are administered by Autonautics Driving School so as to accommodate student’s preferred times, if possible. Students are required to attend sessions that consist of driving instruction, observation and class lectures, and all students are subject to all rules and regulations established by Xaverian High School. Attendance is mandatory for all driving and classroom sessions.
